We are here to support your student!

The Alanson Wellness Program is operated by the Health Department of Northwest Michigan in collaboration with the Alanson Public Schools, with major funding from the Michigan Health Endowment Fund via the Petoskey-Harbor Springs Area Community Foundation, the Michigan Departments of Community Health and Education, and the Substance Abuse and Mental Health Services Administration.

These materials were developed under a grant awarded by the Michigan Department of Education.

A School-Based Behavioral Health Program
at Alanson Public Schools

A life changed early... is a life changed forever.

Operated by the Health Department of Northwest Michigan in conjunction with Alanson Public Schools

Providing support where you need it.

The Alanson Wellness Program assists children and teens gain confidence and learn strategies to be more successful in and out of the classroom.

The school-based behavioral health program is operated by Health Department of Northwest Michigan in collaboration with Alanson Public Schools. With parental/guardian permission, our licensed clinical social workers and counselors offer individual, group, and family therapy conveniently located in your child's school for easy access.

How can we help?

Is your child:

- ▶ Experiencing mood changes such as anxiety or depression that are out of the ordinary?
- ▶ Having difficulty staying on task, following directions, and getting into disagreements with others?
- ▶ Not getting along with his teachers and peers?
- ▶ Experiencing relationship issues, family or school stress?

The Alanson Wellness Program has immediate openings to serve your child and family.

Operated by the Health Department of Northwest Michigan in collaboration with Alanson Public Schools, services are confidential. Public and private health insurance companies will be billed for services provided. A sliding fee payment scale is also offered. No child will be turned away for inability to pay.
