## **STATEMENTS OF COMPLIANCE WITH FEDERAL LAW**

### **Non-discrimination:**

It is the policy of the Board of Education that the District will not discriminate against any person on the basis of sex, race, color, national origin, religion, height, weight, marital status, handicap, or disability. The District reaffirms its long-standing policy of compliance with all applicable federal and state laws and regulations prohibiting discrimination including, but not limited to, Title VI and VII of the Civil Rights Act of 1964, Title IX of the Educational Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, The Americans with Disabilities Act of 1990, The Handicapper’s Civil Rights Act, and the Elliot-Larsen Civil Rights Act.

- Complaints are to be made in writing within 10 days of the alleged violation.
- If the complainant is not satisfied with the Superintendent’s written decision, an appeal may be made to the Office for Civil Rights, Department of Education, Washington, D.C. 20202

### **Notice of Pesticide Use**

Pesticides are periodically applied to school district property as part of the district’s pest management program. Although the administration will announce verbally in school and send notes home with students, parents and legal guardians of children enrolled in the district have the right to request written notification in advance of the pesticide applications. In order to receive personal written notification prior to the application of pesticides, the parent or legal guardian must submit a letter of request to: Alanson Public Schools, 7400 North Street, Alanson, MI 49706 phone 231-548-2261. Please understand that emergencies do arise and that pesticides may be applied without prior notice to parents or legal guardians. Parents of legal guardians that have requested written prior notification, however; will be notified after pesticide application. Application of pesticides will be performed only by certified or registered applicators where and when required. If a pesticide is applied in a building, students will not occupy the room for a minimum of four hours. At the time of application, a sign will be posted for 48 hours near the building’s primary point of entry. When a pesticide are applied to school district grounds, the application will not be made within 100 feet of occupied classrooms, and flags will be inserted in the ground to mark the application area. This notice was given in compliance with Regulation 637, as amended by Public Act 131 of 1993.

### **Student Privacy, Parental Access to Information**

In accordance with Title X, Part F, Sec. 1061 (2) and the policies of Alanson Public School, a parent or guardian shall be permitted to inspect all instructional materials used by the District in evaluating, surveying, or analyzing students in the furtherance of an instructional program. Instructional materials shall include teacher's manuals, films, tapes, or other supplementary materials. Also, you have the right to view the teacher's qualifications.

### **STUDENT AND FAMILY RIGHTS CONCERNING SCHOOL RECORDS**

The Family Educational Rights and Privacy Act (FERPA) afford parents/guardians and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. They are:

1. The right to inspect and copy the student's education records within two (2) school days of the day the District receives a request for access. Parents/guardians or students should submit to the school custodian of student records a written request that identifies the record(s) they wish to inspect. The custodian will make arrangements for access and notify the parent(s)/guardian(s) or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent(s)/guardian(s) or eligible student believes are inaccurate, misleading or an invasion of privacy. Parents/guardians or eligible students may ask the District to amend a record that they believe is inaccurate, misleading, or an invasion of privacy. They should write the school Principal or records custodian, clearly identify the part of the record they want changed, and specify the reason. The right to challenge school student records does not apply to: (1) academic grades of their child, and (2) references to expulsions or out-of-school suspensions, if the challenge is made at the time the student's school student records are forwarded to another school to which the student is transferring. If the District decides not to amend the record as requested by the parent(s)/guardian(s) or eligible student, the District will notify the parent(s)/guardian(s) or eligible student of the decision and advise him/her of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent(s)/guardian(s) or eligible student when notified of the right to a hearing.
3. The right to permit disclosure of personally identifiable information contained in the student's education records, except to the extent that the FERPA of Michigan law authorizes disclosure without consent. Disclosure is permitted without consent to school officials with legitimate educational or administrative interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent(s)/guardian(s) or student serving on an official committee, such as disciplinary or grievance committee, or assisting another school official in performing his/her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the District discloses education records without consent to officials of another school District in which a student has enrolled or intends to enroll as well as to person(s) specifically required or allowed by State or federal law. Disclosure is also permitted without consent to: any person for research, statistical reporting or planning, provided that no student or parent(s)/guardian(s) can be identified; any person named in a court order; and appropriate persons if the knowledge of such information is necessary to protect the health or safety of the student or other persons.
4. The right to prohibit the release of directory information concerning the parent's/guardian's child. Throughout the school year, the District may release directory information regarding students, limited to: Student Records
  - Name
  - Grade level
  - Information in relation to school sponsored activities, organizations and athletics •Major field of study

Any parent(s)/guardian(s) or eligible student may prohibit the release of any or all of the above information by delivering a written objection to the building Principal within 30 days of the date of this notice. No directory information will be released within this time period, unless the parent(s)/guardian(s) or eligible student is specifically informed otherwise. High school students and their parents/guardians may prevent disclosure of a student's name, address, and telephone number to military recruiting representatives (who can only use that information to provide information to students concerning educational and career opportunities available in the U.S.

Armed Forces or service academies) by submitting a signed written request to that effect to the high school principal.

5. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA.

The name and address of the office that administers FERPA

is: Family Policy Compliance Office

U.S. Department of Education

400 Maryland Avenue, SW

Please refrain from sending treats decorated with party favors or toys. Leftover treats will be sent home. However, food is not to be eaten on the buses.

### **Recess**

View the enclosed playground rules (pg. 27) and expectations with your student. Unless the weather is inclement or extremely cold (below 10 degrees with wind-chill factored in), we will go out doors for recess. This requires that each child come to school dressed for the weather. During the winter months, children need winter coats, boots, hats and mittens. If snow pants are not available, please have your child bring an extra pair of dry pants to change into. Children need to have a pair of shoes at school for indoor use during the winter months. Should your child be recovering from an illness, injury, or surgery, please send a note to the office. If your child needs to stay in for more than 3 days, a physician's statement will be required.

## SCHOOL SAFETY

### Visitors in the school:

The main entrance to the building is located on North Street. This entrance is meant to be secure and is controlled electronically and should be used during school hours. If the secretary is not present please ring the white doorbell and you will be released to come to the office.

All parents and others entering the school must check in at the office, please do not enter the school without checking in and receiving a visitor pass. Thank you for your cooperation.

For prolonged adult visits, please contact the school at least one day in advance of the proposed visitation date. Students from surrounding school districts will not be allowed to visit Alanson unless they have prior approval from the principal and should be intent on attending Alanson Public School in the future.

### Volunteers:

Alanson Public Schools has many opportunities for parents to volunteer. Because our first concern is school safety, all parents who routinely volunteer must complete a form in the school office. This form gives the school permission to check with the State police to ensure the volunteer has no criminal history.

Parent volunteers must always sign in at the school office and obtain a visitor ID badge. The badge is to be worn at all times when volunteering and it must be clearly visible. At the conclusion of volunteering, the parent must sign out in the school office and return the badge.

### Students coming late:

Students that arrive late to school must check in at the school office prior to going to his/her classroom.

### Students leaving early - release of students:

Parents and relatives (if previously approved) picking up students must go to the main office and request the student. The student will come to the office and sign out. To keep our students safe, no student may leave the school grounds without permission and signing out at the office. No child will be released to a person other than a parent or guardian unless previously approved. An ID may be required. Only the office may release a student.

### Students 18 and over:

Eighteen-year-old students are legally recognized adults, except as noted below:

- Policies and procedures set forth in the student handbook will apply to all students, regardless of their attainment of the age of majority.
- Educational records may be sent to the person who claims the student for federal income tax returns.
- Students 18 years and older may have the same privilege as their parents / guardians as it relates to access to their student records.
- Students 18 years and older may represent themselves during disciplinary conferences and be the addressee for their grade reports.
- Students 18 years and older may sign themselves in and out of school, and may verify their own absences.
- Eligible students who wish to assert these rights should register their intent on the appropriate form in the high school office. Until such time as the eligible student registers this intent, school officials will not apply the above exceptions to school policies and procedures.

## EMERGENCIES

### Emergency information – student information form:

Each student must have on record a student information form. This form is filled out at the beginning of each year listing authorized individuals with their contact information. The school will only release students to the authorized individuals listed on this form, so it is critical that it is accurate and up to date. Please update with new phone numbers, etc. throughout the year. A form can be found on our school's website. An emergency contact and authorized person must be listed with an emergency phone number. Please have a family discussion to develop a plan on what to do and where to go in case of a personal emergency or emergency school closing. The school office, the teacher, and your child all need to understand what to do in an emergency situation and school is closed.

**Fire drills, Tornado drills, and Lockdown drills:**

All students will become familiar with emergency drill procedures through practice, teacher instruction, and posted plans. The safety of students is important and the students need to react appropriately when an alarm or notification is made. Treat these drills as the real thing because they could be and lives could be at stake.

**Snow Days/Delays/Early release:**

Severe weather may cause school to be cancelled, delayed or dismissed early. The school will contact the normal local radio and television stations, but new last year a text message will be sent to those signed up on "Textcaster", (sign up information is located in the office). Please do not call the school in these or other emergency situations as the phone lines need to remain open for emergency responders.

***AFTER SCHOOL FUNCTIONS MAY ALSO BE CANCELLED ACCORDINGLY!***

**STUDENT HEALTH**

**Student Illness:**

If your child is absent, please call the school at 548-2261 no later than 9:30 a.m. on the day of the absence. If we do not hear from you by 9:30 a.m., we will call you. This phone procedure, if followed, can act as safety insurance for our children. We want to work together to assure that our children and their health are protected.

It is important to fill out your child's enrollment card very carefully with home and work phone numbers. Please notify us of any changes during the year. Also, please be sure that the people listed as your emergency names are aware and willing to accept responsibility for your child if necessary. If your child becomes ill or is injured during school hours, we will make every effort to contact you.

In the interest of your child's health, and for the protection of other students, we will expect you to come for your child if he or she has a fever, chronic cough, rash, or head lice. Please let us know if your child has a communicable disease.

You may find the following information helpful:

<u>Disease</u>	<u>Incubation</u>	<u>Stay Home</u>	<u>Return to School</u>
Acute cold	12-72 hrs.	variable	upon recovery
Chicken pox	2-3 weeks	10 days min.	when skin is clear

German measles	13-21 days	4 days min.	upon recovery
Impetigo	2-5 days	until recovery	upon recovery
Mumps	2-3 days	variable	upon recovery

Head lice: Students and members of the same household with live lice or nits are sent home for treatment. Students cannot return to school until they are treated and all nits are dead. The box top or label from the treatment used must be turned into the office upon students return. The returning student will be inspected for live nits and if found sent home per this Health Department suggested process.

The principal reserves the right to require a written statement from a physician indicating the student is free from all symptoms before the student reenters school.

**Immunizations:**

All immunizations must be up to date. According to state law, students will be excluded from school if this policy is not followed.

**Insurance:**

The school provides parents an opportunity to buy additional student insurance. Students will be given information concerning this insurance. It is supplementary insurance to any health or accident coverage, which you may have, however it

is a good backup. If you have no health or accident insurance on your student, this insurance is strongly recommended. The school does not carry health/accident coverage on students.

**Medication:** (The School Has Request Forms in the Office and On-Line)

The Alanson Public Schools has a procedure for the Administration of Medications during school hours. Children are not permitted to keep medication of any kind on their person, in their lunch boxes, in their lockers or in their desks. All medication is dispensed through the office. Students may not self-administer any medications on school property without a special request from a physician and approval by the principal.

The building Principal may refuse to administer or may choose to discontinue the extra service of administering medication at his/her discretion, provided that appropriate notice is given to the parent/guardian.

The following regulations shall be adhered to when administering medication to students:

A written request and instructions, signed by parent or guardian and physician, will be required for each separate medication and will include:

- Student's name, date, birth date, address, school, grade and teacher
- Name of medication
- Purpose of medication
- Time to be administered
- Dosage
- Possible side effects, if any
- Termination date for administering medication

Procedure:

- Medication and written instructions shall be hand delivered by the parent or guardian to the building principal or designee.
- No other oral medication, such as aspirin, will be administered to students under any circumstances.
- If a student has self-administered medication, parental permission must first be obtained.
- All medication must be in the original container with the prescription intact.
- Include any information that might prove helpful to the school in administering the medication.

\*Special note: **Inhalers**

Public Act 10 of 2000, adds Section 1179 to the Revised School Code and permits students to possess and use inhalers to alleviate asthmatic conditions at school and at school sponsored activities provided: 1) the student has written approval from a physician or other health care provider; and 2) the principal or other chief administrator of the student's school has received a copy of the written approval.

## **ATTENDANCE**

### **ATTENDANCE PROCEDURES**

There is a positive relationship between attendance and success at school. Therefore, administrators, teachers and others have a responsibility to encourage regular and punctual attendance. Students are to attend class every day. Basic responsibility for attendance rests with the student and parents. Accurate records of daily and hourly absences will be kept. Sporadic attendance patterns, chronic absences and truancies will not be tolerated. Parents will be informed when problems arise because parents are an important part of our educational team.

#### **Signing In and Out**

When leaving the building prior to the end of the school day, students must get permission to sign out and make parent contact at the office. Students coming into the school building after 8:00 a.m. must sign in at the office. If this procedure is not followed, the absence will not be excused.

#### **Time Period Within Which to Have Absences Excused**

For absences other than those prearranged, students must have an absence excused within two school days or the absence will be recorded as unexcused. Parents must phone or send a signed note to the school office.

## **ABSENCES**

Students need to be in class in order to participate fully and to successfully learn material required to earn credit. Alanson Public School is committed to work closely with the parents, physicians and students concerning attendance. In the case of excused absences work will be made up in order to earn credit. Final decisions on the excused or unexcused absence designation will be the responsibility of the principal.

- Elementary students arriving after 8:30am will be considered absent for a half day.
- Students will be allowed 10 total absences (unexcused or excused) per semester/Trimester.
- A student who exceeds this limit in any class will fail to earn credit in that class.

The following steps will be taken to ensure regular communication:

- Students and Parents will be notified of current absence levels in each class at progress report and report card intervals. These intervals are approximately 4-5 weeks depending on the marking period. Absences and tardiness will be identified next to the class on the report card.
- A parent meeting may be required during this interval to assure work is being made up in a timely manner. A plan of action might also be implemented.
- When a student reaches 7 absences in a class a letter will be sent to parents notifying them of the student's status.
- Parents may meet with a mediator, law enforcement and school official prior to truancy charges being filed.
- When a student exceeds 10 absences the student will fail to earn credit in that class and a letter will be sent to parents notifying them. Parents may request a review by the Attendance Committee to set conditions to earn credit in that class or classes.

## **EXCUSED ABSENCES**

The verification of excused or unexcused absences will be significant in the case of lost credit and a hearing by the attendance committee. For absences other than those prearranged, students must have an absence excused within two school days or the absence will be recorded as unexcused.

1. **Illness or Death in the Family:** Students must have their absence verified by phone or note by parent or guardian within two school days. If a student is 18 years of age or older, he/she may excuse the absence. A form is available in the attendance office for this purpose.
2. **Prearranged Absences:** Student absences due to medical or dental appointments, family trips, family business or religious observances must be prearranged through the attendance office and make-up privileges will be granted for such planned absences. Please be sure to make arrangements at least one full day in advance. Class assignments must be completed by the time the student returns to school.
  - a. All family trips must be prearranged through the attendance office using a trip form that must be signed by all of the student's teachers and returned to the attendance office before leaving on a trip. It is necessary to have parent contact informing the school of the trip, requesting permission for a prearranged absence, and listing the dates of the proposed absence. It is recommended that all homework be completed prior to going on the trip.
  - b. **Medical Appointments:** A doctor's appointment confirmation card indicating the time of the appointment is necessary for the absence to be excused.
  - c. **Religious Observance:** According to state statute, students may be released from school for religious instruction. A request for release form must be filled out and signed by the parent/guardian and on file in the attendance office before the student may be released.

## **UNEXCUSED ABSENCES**

An unexcused absence is defined as follows:

1. Skipping classes (truant from school).
2. Leaving school during the school day without signing out at the office (all classes missed are considered unexcused). This may also be a violation of the Closed Campus rules.

3. Shopping trips, beauty shop appointments, work on cars, and staying home without prearranging the absence (Note: This list is not all-inclusive. There may be other reasons why an absence is ruled unexcused. In these cases, the ruling will be fully explained to the student and parents.)

#### **ABSENCES that do not count against accumulation for credit loss.**

- Suspension
- School related activities. (Athletic events, field trips)
- Extenuating circumstances as determined by the principal.

#### **TARDINESS**

- Tardiness is a classroom management issue. Our school reinforces being on time; being prepared for class with materials; and, other organizational skills that are necessary for success in life. In the world of work, tardiness is cause for firing a worker or reducing their pay.
- A student is considered tardy when he/she is not inside the room when the door has been closed and the bell has rung.
- The teacher will notify the student verbally that he/she is tardy at the time of the tardy and log the unexcused tardy into the computer.
- Discipline for being tardy will be implemented as follows:
  - 1st tardy – warning
  - 2nd tardy – teacher calls parent and assign a 15 minute detention, which will be served the next day, either in the morning or afternoon. (In certain circumstances during lunch).
  - 3rd tardy and any subsequent tardy – teacher calls parent and writes a referral for habitual offender.
- Tardy count resets to zero at the beginning of the new semester.

Being tardy in the morning – Students are to report to the office and sign in. The office logs the tardy into the system replacing the recorded absence if the teacher had typed it into the system. The office will then write an excused pass for the student to enter the classroom (this verifies that the student has signed into the building). This tardy is not logged in by the teacher. The office will then follow up with the parent and verify if this was a legitimate tardy or if it is unexcused. If it is determined by the office to be unexcused, it will be marked as such. The administration will contact the parents and discuss discipline or other options for these morning issues.

#### **ATTENDANCE COMMITTEE REVIEW**

In order to determine fairly what a student needs to do in order to earn credit if absences exceed the allowable limit, we have created an Attendance Committee consisting of: the Principal, and (2-4) teachers. This ad hoc committee will meet as needed to consider cases of students whose absences become excessive. Procedure for this Attendance Committee is as follows:

1. When a student's absences exceed 10, the student and parents/guardians are notified in writing of the failure to earn credit.
2. Parents/guardians or students may request a review of the case by the Attendance Committee in writing to the Principal within 10 days of being notified of failure to earn credit. The request must contain information that would impact the decision by the Attendance Committee concerning the status of each absence. Absences considered excessive may result in the student being required to make up 1 hour for each class absence in excess of 10 that is not deemed to be of extenuating circumstances. Additional conditions may be set by the Attendance Committee or to earn credit in affected classes. Applications forms for review of attendance are available in the High School Office.
3. The student and parents/guardians will be notified in writing within 10 days of receiving a request for a hearing of the date, time and place of the hearing.
4. The students and parents/guardians will have the right to representation of their own choosing and expense at the hearing.
5. The Committee will consider the record of absences, reasons for absence, progress in affected classes, and any relevant extenuating circumstances, which may have a bearing on attendance.
6. The Committee will render a decision within 5 days after this meeting regarding each individual situation. Parents/guardians and students will be notified in writing within 5 days of the Committee's decision by the high

school principal. Students who fail to comply with any specific plan to earn credit as outlined by the Committee will fail to earn credit for the affected classes.

7. Upon notification of the Attendance Committee's plan, parents/guardians who wish to appeal may do so by following these procedures:
  - a. Within ten calendar days from the date of notice of attendance committee's plan the student will be afforded an opportunity for a formal hearing before the superintendent.
  - b. The superintendent's decision may be appealed to the Board of Education within ten calendar days of such decision.
  - c. The Board of Education shall schedule a hearing within 20 calendar days and notify the parents/guardians that said hearing shall be conducted under the following rules and procedures:
    - Written notices shall be given of the time, date and place of hearing.
    - An attorney or other advisor may represent the student or parent.
    - Witnesses may be presented at the time of the hearing and the student or his/her representative may question witnesses testifying against the student.
    - The hearing is not a court proceeding and court rules of evidence shall not be enforced at such hearing.
    - There may be present at the hearing the principal, the Board of Education's attorney and such resource persons as the president of the Board of Education deems essential to the proper adjudication of the case
    - The Board of Education shall render a written opinion of its determination within five calendar days from the date of the hearing. Such written opinion shall be forwarded to all parties concerned.

#### Make Up Work

It is the responsibility of the student to make up any required work he/she may have missed during his/her absence from a regularly scheduled class. Teachers should be asked for make-up work the same day the student returns to school. Class work is to be made up at a time mutually convenient to the student and staff member involved with at least one day of make-up time allowed for each day of an absence. (Example: Absent on Tuesday present at school on Wednesday. Make up work would be due on Thursday)

If the student was on suspension, then the make-up work for the suspended student is due per the following:

Less than 3 days – work due 1 day after return

More than 3 days – work due 2 days after return

If the student was expelled by a Board of Education action there is no opportunity to do make-up work or receive credit or participate in any school functions.

### **EXTRA-CURRICULAR ACTIVITIES**

#### **Volunteering:**

Parents and other adults meeting the safety requirements stated in the previous section labeled "School Safety" may volunteer for a variety of activities. Some are listed here:

- Classroom – listen to students read, accompanying class on field trips, helping with projects, sharing interests or skills
- Playground support or Lunchroom support
- School Improvement committees for parental input
- Title VI Native American programs and committees
- Athletic Booster Organization – work together to provide athletic support

#### **Student Volunteering:**

The Administration, Faculty and School Board at Alanson Public School support and encourage the concept of community involvement. Community involvement has been promoted in the curriculum recommended by the State of Michigan for many years and Alanson Schools intends to promote this concept in a fair and meaningful way.

A record of such service will be invaluable to students as they leave school and seek employment. Student portfolios are meant to provide a record of student's accomplishments during their Jr. High and high school years. Students will include a record of community involvement in their portfolios and will be able to update it at any time. It will not be required of

students to complete this record; however, it will be encouraged. Students should bring documentation of community involvement to school and have a teacher, or administrator sign their Community Involvement Log.

Documentation should include the following:

1. Name of the organization or person to whom the time was given
2. Date of activity
3. Description of service
4. Amount of time given
5. Signature of supervisor of service

In order that the volunteer concept is properly advanced as a community endeavor, it will be primarily accomplished outside of regular school activities and hours. The attached listing of examples, although not complete, would be acceptable. A more complete list will develop as ideas come to the school from the students and public. The judgment of acceptability will generally be made by the school administration that will be open to considering all of the public's ideas. The administration should be contacted prior to performing the service to insure credit will be given for any questionable idea.

## **ELEMENTARY CURRICULUM**

### **Subject Areas:**

Alanson Public Schools aligns subject area content to the State's required benchmarks. Specific goals are developed in the School Improvement Plan, after reviewing the various forms of data available and analyzing the gaps. A copy of the School Improvement Plan is posted on our school's website.

### **Report Cards/Conferences:**

Report cards are issued three times each school year. Conferences are held twice a year for the first two reporting periods. End of the year report cards are mailed home to parents. Please see the school calendar for dates. However, parents can request a conference at any time. Please call your child's teacher or the school office to arrange a time.

### **Assessments:**

State Assessment: Each spring, students in grades 3-8 & 11 are administered the M-STEP assessment.

### **District Assessment:**

All students are tested 3 times yearly in reading, math, and writing. Students who are identified as struggling in reading and/or math are tested monthly to monitor progress and plan for supports.

### **Home/School Communication:**

The elementary has developed a variety of routine communications. Parents can look for the following:

- Friday folders sent home every week in grades K-8.
- Elementary Newsletters
- Assignment Books will be used daily Grades 4 and 5 and may be utilized for daily communication.
- Website - (PowerSchool in 2<sup>nd</sup> - 5<sup>th</sup> grades)
- Emails

Each Friday your child will bring home a folder with special information and work samples inside. Students are to return their folder to school on Monday. Inside the folder, you will find the elementary newsletter. The newsletter includes dates of interest, detailed information about upcoming events, helpful information for families, and notes from teachers and the principal. The folders and newsletter are quick and easy ways to keep in touch with what is happening at school.

### **Homework:**

Board Policy states that all teachers shall supply make-up work assignments when requested by the students or parents. However, administration reserves the right to determine whether credit will be granted for make-up work resulting from unexcused absences or absences due to expulsion/suspension.

### **Media Materials:**

- All media are to be previewed and evaluated by the teacher and be determined to meet learning objectives.
- Parents will receive one week advanced written notice when teachers plan to use commercial video recordings that are rated PG.
- All media programming obtained from commercial resources outside the school's purchasing procedure (rentals or purchase outside of school/Char-Em media catalog) must be approved for classroom use by the principal.

**Technology:**

All students must sign the District computer and network use agreement prior to accessing District computers or network. Signed agreements are kept in the official student records.

**Promotion/Retention/Placement:**

It is expected that the majority of students will be well adjusted in school and with competent instruction will move through the elementary building in 6 years.

It is recognized that occasionally children who experience health problems, have irregular attendance, or are not developmentally ready, may require additional time in a grade and would benefit from retention. Should the teacher determine retention to be an appropriate option, the parents will be completely informed and will be part of the decision making process. However, Board policy states clearly the principal may make the final decision about student placement and retentions.

Sometimes students are placed in the next grade level. This happens when a student has not successfully mastered the academic objectives of a grade but would not benefit from retention.

## **MIDDLE SCHOOL CURRICULUM**

**Subject Areas:**

Alanson Public Schools aligns subject area content to the State's required benchmarks. Specific goals are developed in the School Improvement Plan, after reviewing the various forms of data available and analyzing the gaps. In addition the Middle School provides an intervention period in areas identified by the data. Therefore, students can improve in their specific area of need.

**Report Cards/Conferences:**

Report cards are issued three times each school year. Conferences are held twice a year for the first two reporting periods. End of the year report cards are mailed home to parents. Please see the school calendar for dates. However, parents can request a conference at any time. Please call your child's teacher or the school office to arrange a time.

**Assessments:**

State Assessment: Each spring, students in grades 6-8 are administered the M-STEP assessment.

**District Assessment:**

All students are tested 3 times yearly in reading, math, and writing. Students who are identified as struggling in reading and/or math may be tested monthly to monitor progress and specific interventions implemented for growth.

**Home/School Communication:**

The Middle School has several avenues for communication, but please be aware that the school's expectation for students to become more responsible for this communication exists. A definite shift occurs and parents are encouraged to prompt their child to participate, advocate, and learn to communicate.

- Student planners – students can request one in the main office
- Classroom newsletters – occasional as well as Handouts and Flyers sent home with students
- Website and PowerSchool
- Emails

**Grading and Homework:**

At the beginning of each school year, students will be informed of behavior and performance expectations and grading requirements for that particular class or grade. Teachers will evaluate grades on the basis of daily work, oral answers, tests, quizzes, special projects or other class requirements including attendance, and preparedness for class. Completing class assignments is the student's responsibility. Students who do not finish their work in class may be required to do it at home. If your child is continually bringing unfinished schoolwork home, you may wish to request a meeting with the teacher to resolve the problem. If your middle school student is not bringing work home, contact the teacher. Grades reflected in PowerSchool should be updated by the Thursday of each week. Contact the teacher or office if you have questions or concerns.

Grades 6-8 graded as: A, B, C, D, E or I - Incomplete, W - Withdraw, NC - No Credit

Students will be provided with a syllabus containing the grading structure for that class within the following guidelines.

**Progress Reports:**

Progress Reports are posted online and only if requested sent home approximately half way through report card markings. A parent may request a progress report at any time by calling the office. Teachers are also encouraged to send progress reports out for all students as a way to keep parents informed and congratulate student achievement.

**Retention:**

Our teachers will keep parents informed regarding the progress of their children. Cooperation between the parent/teacher allows your child to perform to the best of his/her ability. However, there are circumstances where it is to the child's best interest to repeat a grade. During the spring parent-teacher conference, a preliminary discussion of the possibility of retaining a student will be held with the parent. A final conclusion may not be reached at that time, but parents should be aware of factors being considered. In late spring 6th, 7th and 8th grade teachers and the principal meet to discuss these students' progress. A final decision is reached and parents are notified of the decision. As professionals it is our duty to provide the best possible program for each child. Parental input is important. Together parents and teachers all want what is best for the student and consider benefits throughout the student's school years. Parents also have the right to disagree to retain a student, thus the following procedure will be used in our system:

Parents disagreeing with retaining or repeating a grade for their student should meet with the principal to share concerns. In rare cases, a parent may sign a refusal to retain form, which allows the child a trial period in the next grade. The principal may then assign the child to the next level.

## HIGH SCHOOL CURRICULUM

The State of Michigan has established the Michigan Merit Curriculum, which are the minimum required credits for a student to earn a High School Diploma. These Michigan Merit Curriculum requirements are imbedded in our local graduation requirements below.

*\*Please note that the Michigan Merit Curriculum and the Board of Education require a passing grade on the exams of each class in order to earn the Michigan Merit Curriculum credit. If a student passed the course work but failed the exam due to the occasional bad day or test anxiety, a student may retake the exam once, within two weeks of the original exam date. If on this attempt the student passes the exam MME credit toward graduation will be awarded, otherwise the student needs to retake the course.*

English	4	To include English 9, English 10, English 11, and English in their senior year
Social Studies	3	To include Government (.5), Economics (.5) US History/Geography (1) and World History/Geography (1)

Completing class assignments is the student's responsibility. Students who do not finish their work in class may be required to do it at home. - Two marking period grades of 45 % each (90% total)
- One exam, paper, or final project to reflect the material covered for the semester and represent a sample of course mastery. 10%

An Incomplete grade is used when students need additional time to complete class requirements. Incompletes must be made up within 2 weeks after a marking periods end. After two weeks, an incomplete will change to a failure unless the principal accepts a substantial reason.

A Withdrawal signifies that the student did not complete the class (i.e. moved out of the district).

A No Credit grade is used in special cases of unsatisfactory attendance and performance.

**Retention does not apply in High School as Class placement is dependent on Credits earn:**

## **BEHAVIORAL EXPECTATIONS**

### **PARENT-SCHOOL-STUDENT COMPACT:**

The purpose of the PARENT-SCHOOL-STUDENT COMPACT, found in Section 1118 of Public Law 103-382, is to build and foster the development of a parent-school-student partnership to help all children achieve the State's high academic standards. Parents, the child, and teachers will share responsibility of improved student achievement. To promote this shared responsibility Alanson school parents, staff and administration, have developed the following Parent-School-Student Compact:

#### **Staff-Teacher**

- Support and encourage my student to be a Safe, Respectful, Achiever

#### **Parent:**

- Support and encourage my child to be a Safe, Respectful, Achiever

#### **Student:**

- Be a Safe, Respectful, Achiever

#### **Message from the Administration:**

- The School Board & Administration acknowledge and support the commitment agreed upon by this compact.

### **THE DISCIPLINE PROCESS (Due Process)**

Infractions are brought to the attention of the principal through a written referral form. This is a form used by all K-12 personnel (bus drivers, lunch ladies, paraprofessionals, secretaries, teachers, custodians, etc.). The principal reviews the staff's documented issue with the student, investigates as needed with parents, staff, and/or other students, implements consequences and/or behavior intervention, documents actions, and finally notifies initiating personnel and parents. A copy of the written referral is mailed to the parents, returned to initiating personnel and placed in student file (documented in computer as well). Administrative action can include behavior plans, detentions, out of school suspension and expulsion. When appropriate, the incident may be referred to the school liaison officer, the school counselor, or the behavior specialist. The District also has a behavior support team to help design and implement positive behavior plans for those students struggling with behaviors.

We believe that each student is unique and has the potential for making positive contributions to society. We recognize that in order to function in society, individuals need to master certain basic skills and need to continue learning throughout life. We believe that while learning the need for and the value of group dynamics, individuals will come to know and appreciate their worth and that of others. We believe that by accepting and fulfilling appropriate responsibilities, individuals will come to value resultant privileges. Therefore, we commit ourselves in a cooperative effort with parents and the community to provide an atmosphere that will allow students to:

- Be accountable for their actions and to realize that with privileges go responsibilities.
- Acquire the values and attitudes necessary for responsible citizenship.
- Display a positive attitude toward learning and the school environment.
- Know and obey the rules and decisions of those in authority.
- Demonstrate appreciation for the dignity and integrity of all.
- Respect the inherent rights of others
- Display tolerance for persons belonging to various cultural, social and ethnic groups.
- Develop a sense of responsibility to groups in which they participate.

Public schools serve many age groups whose rights differ according to their levels of maturity. We believe that a public school must have an orderly environment in which learning is not jeopardized by disruptions. Students must be given

opportunities to bear important student responsibilities, which are to obey all school rules and policies. As necessary, school staff members will use their authority with respect for the integrity and human dignity of their students.

In order to assure fair and equal treatment in cases of misconduct, all students shall have the right to **due process**. This shall include being notified of rules and regulations, being notified of any misconduct charges, having the opportunity for a hearing, and having the right to appeal any suspension or expulsion. Due process safeguards shall be implemented as follows

### **INFRACTIONS - Definitions**

Students are subject to discipline for conduct while traveling to and from school, at school-sponsored events, and while off campus during regular school hours, whenever such conduct has a direct effect on the discipline or general welfare of the school. All students fall under the Student's Rights and Responsibilities regardless of age. Students who reach the age of majority still must abide by all of the rules and regulations. Students that do not forfeit their electronic device to a teacher when asked will be disciplined for insubordination and/or disrupting the educational environment. Cameras and cell phones capable of taking pictures are not permitted in locker rooms or bathrooms.

- First offense – Teacher collects phone for pick up by student at the end of the day.
- Second offense – phone sent to office for pick up by parent.

Sexual Harassment is a violation of Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments Act of 1972 and the Michigan Elliot-Larsen Civil Rights Act.

Sexual Harassment is a form of sexual discrimination. Since sexual harassment is unacceptable to this school district, it is against the policy of this school district for any board member, administrator, employee, student, independent contractor or volunteer male or female to sexually harass another board member administrator, employee, independent contractor, volunteer, or student. Count/Excessive absence - Any absence, which has not been accounted for by a parent or legal guardian and/or appropriate school official, or an excessive total of absences.

Verbal Threats – Threatening anyone in the building verbal or written.

Vandalism - Intentionally damaging, defacing, or destroying property belonging to the school, school officials, or others.

Vulgarity - Swearing or use on implied inappropriate language

Weapons - The possession of a dangerous weapon, or the use of any object to inflict injury to another person. State law will be followed in regards to weapons, which may include long-term suspension or expulsion from school. The Michigan School Code (Sec. 1311 of 380.1311) requires Michigan School Boards of Education to automatically expel students who possess a dangerous weapon/firearm (i.e. firearm, dagger, dirk, stiletto, knife with a blade over three inches in length, pocket knife opened by a mechanical device, iron bar, or brass knuckles), and /or commit arson or rape on/in school district property (including a vehicle used to transport students) or at a district or school sponsored event. This state statute requires that the expulsion be permanent and that the student be referred to the criminal justice or juvenile delinquency system and the appropriate county department of social services. Such expulsion is to be made by a building administrator and will be reviewed by the superintendent. A child in grade 5 or below when expelled may petition for reinstatement to school at any time after the expiration of 60 school days subsequent to the date of expulsion. For students in grade 5 and below who have violated the Federal Gun Free Schools Act and who are accordingly subject to a mandatory one-year expulsion, the Superintendent may submit his or her own recommendation to the Board of Education in conjunction with the designated committee's recommendations, to modify the one-year expulsion requirement (on a case-by-case basis) to a period of time not less than 60 days. Due to the seriousness of these statutes, we discourage children from bringing toy weapons to school, jack knives and/or other look alike dangerous objects.

No disciplinary consequences shall occur due to a self-referral unless self-referral is viewed to be done to avoid disciplinary consequences.

However, remember that teachers also have limitations and a responsibility. When teacher efforts fail to bring voluntary parent involvement, their decision must be personal and individual, based on their concern for your safety and good health

When situations arise where the question of law enforcement are apparent the officer will be advised and involved. Parents will be notified and contacted when their son or daughter are involved in an incident the officer will be investigating. Administrators have the responsibility to determine when the presence and assistance of law enforcement officers is necessary and to act in a manner that protects the rights of students and parents.

Kindergarten Students are not permitted to be dropped off at the end of the day unless the driver makes visual contact with the parent or approved adult receiving the student.

Students riding a bus to an extracurricular event must ride the bus back to school. A parent may pick his own son or daughter up at the event if the parent notifies the school in advance of the bus leaving the school. Students who ride buses will not be released to anyone else but their parent.

## **CAFETERIA AND LUNCH**

Breakfast and hot lunch is provided every day. If parents are unable to purchase lunch or breakfast for a student, you may qualify for free or reduced charges. Eligibility standards have been set by the U.S. Department of Agriculture. Applications are sent home the first day of school in September or are available in the office.

Breakfast and lunch must be paid in advance. Students may pay for the day, week or longer. We advise paying monthly to avoid forgetting. Meals may not be charged over the amount of the cost of one meal. Ala Carte items may not be charged. Charges must be paid in full before items may be purchased.

Eating lunch without going through the checking system may result in discipline. Any student who steals a lunch, or any portion of a lunch, milk or an item from the ala' carte line will be subject to the discipline code and will be reported to law enforcement officials.

It is important that you notify the office if you have an allergy to specific foods. This should be done yearly for as long as the condition exists.

Each student is responsible for keeping his/her eating area neat and for respecting the rights of other students. Inappropriate behavior could result in loss of cafeteria privileges.

## **FOOD IN OTHER LOCATIONS**

Food is allowed in designated areas only. No food or drink that is open is allowed in the hallways or classrooms without specific permission from administration. **There is to be no food or drink in computer rooms.**

Remember to keep all food or soft drinks out of the halls, lobbies, or gym area. The cafeteria is the place for eating and drinking.

**COMPLAINT PROCESS**

From time to time parents and community members have an issue with the school, which needs to be resolved. Our school is committed to resolving these issues. Therefore, to address an issue please contact the appropriate personnel and in a calm and mature manner state the issue of concern.

A suggested process for pursuing complaints would be:

1. If the complaint is of a personal nature, contact the person with whom you have a concern. If the concern is about a policy or process, call the school office (548-2261). If, after this initial contact, you still do not feel you understand or cannot accept the solution, you should contact that person’s supervisor.
2. When addressing the supervisor, the complainant should state the problem clearly, include time, date and identify the initial contact. Indicate where the resolution was left, what resolution you believe is proper and how you would like it handled.
3. If this contact does not provide an acceptable resolution, a written complaint should be sent to the supervisor and Superintendent. This should include:
  - A statement of incident in detail,
  - Date and time of incident,
  - Description of steps taken and people contacted,
  - Suggested resolution,
  - Your telephone number (daytime) and address.
4. Expect a written response to your written complaint.
5. If you feel the issue(s) is still unresolved call the Superintendent and ask to be placed on the agenda for the next Board of Education meeting to discuss your concern with the school board members. Depending on the complaint, you may be scheduled for an open session or for an executive session.

They should be kept locked. Valuables and money should not be stored in lockers since the school cannot be responsible for lost or stolen items. Only school locks will be allowed for use. Each student will be issued a school lock. Students who do not return the lock they were issued at the end of the year will be charged for the lock. Locks can be exchanged at any time for a different lock. No pictures or materials, which are lewd, profane, and sexually suggestive or promote alcohol or drugs, are allowed on or inside locker doors or walls. Lockers must be closeable in a reasonable manner. Those students who do not maintain appropriate lockers may lose privileges for a time period based on the number of occurrences.

**LOST AND FOUND AND THEFT**

All lost items should be reported to the office. These items may be listed in the daily announcements in an attempt to find them. Articles found throughout the building that have not been reported will be stored for a short period of time.

If it’s not yours, keep your hands off! Report any thefts, which might occur to the principal’s office. Always make sure your locker is locked.

## **SCHOOL PICTURES**

In the fall parents will be notified of a date for school pictures for students. The prices will be reasonable. You will be given the date in advance so you can look your best. Each individual student must have his/her money on that date. Seniors will take class composite pictures in the fall also. Those pictures may be ordered in packets for student senior pictures. Seniors should look their best; we intend to hang their pictures in the hallways for a number of years.

## **STUDENT RECORDS**

All students must have a yearly enrollment card on file in the office to be considered a student in the Alanson District. In addition a copy of the birth certificate and an updated health record is required to be in the office files according to State Law. Each student's records will be reviewed annually for this information.

Alanson Public Schools may release directory information regarding students, limited to: name, grade level, information in relation to school sponsored activities, organizations and athletics, major field of study. Any parent(s)/guardian(s) or eligible student may prohibit the release of any or all of the above information by delivering a written objection to the building Principal within 30 days of the date of this notice. No directory information will be released within this time period, unless the parent(s)/guardian(s) or eligible student is specifically informed otherwise.

If parents, guardians, or adult students do not wish any of this information given out, they should contact the office by September 30.

## **TRANSFERS**

If you should move to another school district, you will need to visit the school office and sign a statement releasing the student's records to the new school. Students electing to attend a school outside of the district in which they reside, must complete a Schools of Choice form. The records will then be legally mailed to the new district. Also, your child's teacher will prepare a "Student Transfer Form" for you to give to your child's new teacher. This form provides information that will help your transition into a new district.

## **FIELD TRIPS**

Field trips and excursions are encouraged when a reasonable educational objective can be accomplished. All overnight trips are to be approved in advance by the Board. The principal gives final approval of field trips. Parents will be provided with the appropriate paper work with specific information. Students are not to use school telephones without permission. Students may use the student phone in the office only after receiving permission from appropriate office personnel. Students may be denied the use of the office phone upon determination of school personnel that the student's reason for calling has no merit.

## **TEXTBOOKS, MATERIALS**

Schoolbooks are paid for by taxpayers and loaned to you for careful use. Take good care of them because you must pay for any lost, stolen, or damaged books.

## **WORK PERMITS**

Students fourteen years and older may get work permits in the high school office. Bring the offer of employment form and your birth certificate or driver's license in order to have a work permit issued. ### **GYM CLOTHES**

High school students taking a gym class are required to have gym shoes with laces (preferably shoes not worn on the street in order to save the gym floors), shorts and t-shirts. These must be changed after class. They are also expected to take showers. The gym teacher will provide a list of any other requirements during the first week of school.

### **MOVING and WITHDRAWAL FROM SCHOOL**

Students may not withdraw from school unless a parent or guardian notifies the school of the withdrawal. In the event of transferring to another school district, ask the office secretary for a “check-out” form which must be signed by teachers, librarian, school bookkeeper and the principal. All books must be returned or paid for and any outstanding fees or financial commitments must be taken care of. Teachers will record earned grades.

### **PERSONAL BELONGINGS**

Please put child’s name on all personal items so they can be returned if they are lost. Please discourage students from bringing toys, games, radios, etc. to school. Lost and found is located near the office.
