

**STAFF, STUDENT REQUEST  
FOR  
COMPUTER NETWORK ACCESS**

The District provides access to our computer network to students and staff so as to promote and enhance the learning of our students through communication, innovation, and sharing of resources. Access to the internet is a privilege, not a right, and the District may restrict, suspend, or terminate any staff or student user's account with or without cause at any time. In requesting an account for access to the network, the user agrees to the following terms and conditions. Failure to abide by the terms and conditions, or any of the District's rules and regulations for computer network use, may result in the loss of privileges, disciplinary action, and/or legal action.

1. Use of the network must be for the purpose of education and research consistent with the goals of the district.
2. All use of the network must be in accord with the District's rules on acceptable use of network resources, as updated from time to time by the District.
3. The District makes no warranties of any kind, whether expressed or implied, for the service it is providing. The District will not be responsible for any damages the user suffers, including but not limited to the loss of data, delays, non-deliveries, or service interruptions caused by its negligence or the users' errors or omissions.
4. The network provides access to third-party data and information over which the District has no control. Though the District may make efforts to block inappropriate material, users may be exposed to defamatory, inaccurate, or otherwise offensive material. Use of the network or any information obtained via the network is at the user's own risk. The District specifically denies any responsibility for the accuracy or content of information obtained through its services.
5. The user is solely responsible for all charges and fees, including outside telephone, printing, and merchandise purchases made through the network. The District is not a party to such transactions and shall not be liable for any costs or damages, whether direct or indirect, arising out of network transactions by the user.
6. The user agrees to indemnify the District for any losses, costs, or damages, including reasonable attorney's fees, incurred by the District relating to or arising out of any breach of the terms of this request for network access.
7. The user acknowledges that the District's computer network belongs solely to the District and that any files, records, electronic mail or other communication may be examined, edited, or deleted by the District at any time, in accord with District policy or regulations. In general, electronic mail in personal accounts will not be inspected without the consent of the sender or a recipient, except, as necessary to investigate a complaint.
8. The user is responsible for regular and prompt payment of any fees charged by the District for network use.

I understand and agree to abide by the terms of this request for network access, and the District rules for acceptable use of network resources. I further understand that should I commit any violation, my access privileges may be revoked, and school disciplinary and/or appropriate legal action may be taken. In consideration for using the District's network connection and having access to public networks, I hereby release the school District and its Board members, employees, and agents from any claims and damages arising from my use, or inability to use, the network.
