### Parking Regulations

1. Students are permitted to park on school premises as a matter of privilege, not of right.
2. All vehicles parked on school grounds must be registered with the school and have a current permit displayed from the rearview mirror.
3. Students must be licensed, insured, and have parental permission to drive to school.
4. The school system retains authority to conduct routine patrols of student parking lots and inspections of the exteriors and visible interiors of student automobiles on school property. The school system may inspect the interior of student automobiles whenever a school authority has reasonable suspicions to believe illegal or unauthorized materials are contained inside the automobile. Such patrols and inspections will be conducted without notice, without student consent, and without a search warrant. If the student fails to provide access to the interior of the car upon request by a school official, the student will be subject to disciplinary action and the revoking of parking privileges.
5. The school is not responsible for the vehicle or its contents. Drivers are advised to leave vehicles locked.
6. Parking is limited to the student parking lot and the speed limit is 5 miles per hour on school grounds.
7. Once parked, no student is permitted to remain in the car or return to the parking lot during school hours without authorization from the administration.
8. The **"NO SMOKING"** or possession of tobacco products regulation also applies to the parking lot.
9. Students are expected to arrive at school at a reasonable time in order to ensure a parking space. Tardiness resulting from not being able to find a parking space will not be excusable.
10. Parking permits are nontransferable.

**The following violations may cause loss of parking privileges and/or disciplinary action:**

- Parking on school grounds without a current Alanson Public Schools permit.
- Parking anywhere on school grounds other than designated student parking areas.
- Excessive late arrivals to school, excessive absences from school, or continued disciplinary infractions.
- Transferring or loaning of your parking permit to another vehicle.
- Any violation of the parking regulations listed above will result in appropriate disciplinary action.
